Note from Mrs. McLaughlin/Mrs. Senn: For your convenience, student supply kits may be pre-ordered. Your child's school supplies will be packaged and delivered to the classroom in August before school starts. If we have specified a specific name brand, please know that it is because we have tried the others on the market (Rose Art, Prang, etc) and found that they do not perform as well as the ones we have asked for, based on what we use them for in the classroom.

\*\* Rest mat notes: We recommend the Kid-Napper mat from Mat Industries
