November 16, 2017

Thank you for all of your fundraising efforts to support the Walkathon. As of 5pm last night, we have raised a total of \$17,857 with 44% participation. There is no doubt we can reach \$25,000 and 100% participation!

If we reach 100% participation, everyone will get a dress down day and 2 days of no homework. The top fundraiser for each grade level gets a \$50 gift card. We want to reward your effort! Everyone who donated as of these totals will receive their string bag today. The remainder of the bags will go out Friday or Monday.

Please remember that all donations **must be in by noon tomorrow** for children to receive tickets and for the totals to count toward the top classrooms. As a reminder, the link to donate online is here: [St. Mary Magdalene](#)

The presents have been wrapped and now we must get set up and ready for our excited shoppers! We will be setting up Sunday, December 3rd and could really use your help. Pulling over 4000 gifts off of the shelves and setting up tables for those gifts requires some sturdy backs and allot of Christmas spirit! If you are interested in sharing even a little bit of your time for this fun event, we would love to see you in the foyer of the activity building beginning at 11:00. Here is the link to volunteer to help set up [Set-up Santa's Secret Workshop](#)

We will also be in need of volunteers during the week long event itself; Monday thru Friday December 4th-8th from 8-3PM. If you could spare some time and think you can handle all the cuteness that comes with kiddos feverishly searching for their loved ones perfect gift, please know your help will not go unnoticed. I promise, you will get more joy from it than you ever thought possible! Here is the link to volunteer the week of the event [Santa's Secret Workshop; The Ev...](#)
