

We welcome students of all religious affiliations at St. Mary Magdalene School. Families who wish to receive the Catholic-affiliated tuition rate must demonstrate an active Catholic parish participation of Time, Talent and Treasure. We ask StMM parishioners to strive to contribute \$100/month to the parish and contribute to the BAA and New Church Fund. Some of the weekly contributions go to provide school subsidies and some go to the everyday expenses of the parish. Your local Catholic parish might have a different financial expectation, but will still require identifiable Time, Talent and Treasure contributions. Weekly participation at Mass is presumed. If you are relocating to our area, this information is required from your current parish office.

Please complete this form, then submit it to your parish for signature. It can then be faxed, mailed, or emailed to the StMM Admissions Office (kingston@stmm.net).
