Mrs. Senn will be happy to work with you to find a time that will work with your schedule. Please let her know if you plan to bring your child with you during your scheduled observation time, so that the teachers will have extra materials on hand in case your child would like to participate.

Is the Preschool Accredited?

Yes. The Preschool program, along with the elementary school and middle school, is accredited by AdvancEd which includes the SACS (Southern Association of Colleges and Schools). The standards for AdvancEd accreditation of preschool programs are very similar to those required for NAEYC accreditation.

Is the Preschool licensed by the state of North Carolina?

No. Early childhood programs that are accredited by SACS (now part of AdvancEd) and operate for less than 6.5 hours per day are not required to be licensed by the state. The standards that must be maintained for continued accreditation meet or exceed the standards required by the state.

What kind of curriculum is used in the Preschool program? What types of things/activities do they do?

Our main goal is to create a safe and nurturing environment where young children can learn and explore. We believe that a basic understanding of the beauty of God's creation and of His unending love and forgiveness for all people helps to set young children on a positive path for friendships, behavior, and knowledge of their own self-worth.

Weekly activities in the preschool classrooms include arts and crafts, music, movement, alphabet and number activities, science and sensory activities, dramatic play, block play, writing activities, and manipulative toys such as puzzles and peg boards. In both the 3 and 4 year old programs, there is significant emphasis placed on social skills and language skills.

The Preschool program at StMM follows the curriculum guidelines developed by the Diocese of Raleigh. Classroom teachers use the teaching methods and activities that they have found to be most effective with their age group as they address each of the curriculum standards set forth by the diocese. The Diocesan Curriculum for Early Childhood Programs includes activities and skills for each developmental area in which children learn and grow. These areas include spiritual, social, emotional, cognitive, language and physical motor skills. An overview of the Diocesan curriculum guidelines for Early Childhood programs is available on line at:

What about religion? Do the children attend Mass?

The children in both the 3 year old and 4 year old classes use a religion curriculum which includes many activities and stories designed to help young children appreciate the beauty and wonder of God's Creation and His love for all living beings.

The students in the 4 year old program attend Mass weekly along with the elementary and middle school students. Parents are always welcome to join us for this celebration. In addition to Mass, the 4 year old preschool classes participate in other prayer services during Advent and Lent.

The students in the 3 year old program do not attend weekly Mass. They do, however attend Mass occasionally.

In addition, our preschool students participate in The Catechesis of the Good Shepherd, a Montessori based sensorially rich faith formation experience for children from the ages of 3 to 12 years that gives children the opportunity to grow in love and knowledge of God through the Christian tradition.

Do the full-day students take a nap?

Yes. The children in the Full-Day 3 year old and 4 year old classes have rest time scheduled each day for approximately 1 hour. The children are asked to rest quietly on their mats, but they are not required to sleep during this time.
