**Cost:** \$110.00 per week

**Location:** St. Mary Magdalene Preschool Classrooms

**Weeks Offered:**

**Week 1: June 11-15: Under the Sea!** Make a big splash and join us for adventures in our Under the Sea Camp. This week we will learn all about jellyfish, octopuses, dolphins, whales and even mermaids! There's nothing fishy about creating fun paintings and crafts. Campers will have oceans of fun designing cool art projects, playing games, reading stories, and singing songs. So dive in! You won't get wet but you'll make some new friends and have tons of FUN under the sea! Teacher: Ms. Stein

**Week 2: June 18-22: Pirates on the High Seas!** This week, "X" marks the spot for our buried treasure! We'll make pirate hats, play with our pirate ship, and we may even walk the plank! A ton of fun adventure on the high seas! Teacher: Mrs. Bright Smith

**Week 3: June 25-29: Back Yard Summer Fun!** A week full of fun and games! We will make sun prints, have water relay races, play parachute and fishing games, pretend to go camping in the courtyard, make bird feeders, and have extra fun with water and bubbles! Teacher: Mrs. Binanay

**Week 4: July 9-13: Super Hero Week:** Up in the sky, look: It's a bird. It's a plane. It's Super Hero time! Whether your child loves Spiderman, Batman, Captain America, Wonder Woman, or just likes using their imagination there is something here for every super hero fan. We will complete activities faster than a speeding bullet while leaping over tall buildings in a single bound! Your little super heroes will have a ball! What's your super power? Teacher: Mrs. Bright Smith

**Week 5: July 16-20: Super Art, Super Fun!** This week is full of creative fun! The children will use a variety of materials for drawing, painting, and sculpting. Other activities this week will include spray bottle painting, sidewalk chalk, painting with fingers and/or feet, and creating a group art project. Teacher: Mrs. Binanay

**Week 6: July 23-27: Super Science, Volcanoes and Bubbles!** This week we will learn about electricity, magnets, chemistry, shadows and bubbles! The children will connect circuits to power pinwheels and light bulbs, discover how to make a magnet hover in the air, make super slime and an exploding volcano, play shadow tag, and have fun with bubbles. Teacher: Mrs. Senn

**Week 7: July 30- Aug. 3: Splish! Splash!** This week we will focus on all kinds of fun with water! The children will conduct experiments with sinking and floating objects, explore freezing and melting ice, paint with ice, make boats, create ocean wave bottles, learn about ocean animals, and have much fun getting wet and playing water games. Sunscreen, towel, and swim suit are required for water activities this week. Teacher: Mrs. Senn

**Week 8: Aug. 6-10: Space is the Place!** We're blasting off to outer space for this week of Camp Fun. Let your imagination soar into outer space while learning about the planets, stars, and the moon. They'll get to pretend to be an astronaut by decorating their own rocket ship and astronaut helmet, craft their own stars and planets and even discover some aliens! Campers will have an out of this world time while reading books, singing songs, and playing space games! Teacher: Ms. Stein
