

# 2019 StMM Mini-Monarchs Preschool Summer Camps

**Teachers:** Mrs. Jawabreh, Mrs. Bright Smith, Mrs. Binanay

**Description:** Plenty of stories, songs, games, arts, crafts, and science activities that young children love! Each week will offer a completely different theme and set of fun activities and games appropriate for children ages 3 to 5 years old.

**Enrollment ages:** The program is open to children ages 3-5 years old. All children must be potty-trained.

**Hours:** 9:00 a.m. – 12:00 p.m. Children should bring a peanut/tree nut free snack and a water bottle from home each day.

**Cost:** \$110.00 per week

**Location:** St. Mary Magdalene Preschool Classrooms

## **Weeks Offered:**

**Week 1: June 10-14: Super Science, Volcanoes and Bubbles!** This week we will learn about electricity, magnets, chemistry, shadows and bubbles! The children will connect circuits to power pinwheels and light bulbs, discover how to make a magnet hover in the air, make super slime and an exploding volcano, play shadow tag, and have fun with bubbles. Teacher: Mrs. Jawabreh

**Week 2: June 17-21: Dinosaur Week:** Whether it's a T-Rex or Stegosaurus, your little paleontologist will make these prehistoric creatures come to life with exciting crafts and activities that include: going on a scavenger hunt for a dinosaur egg, making frozen dinosaur eggs, creating a fossil dig site, playing dinosaur bingo, and dinosaur bowling! Your little ones will have fun learning about these incredible creatures that once roamed the Earth. Teacher: Mrs. Bright Smith

**Week 3: June 24-28: Super Art, Super Fun!** This week is full of creative fun! The children will use a variety of materials for drawing, painting, and sculpting. Other activities this week will include spray bottle painting, sidewalk chalk, painting with fingers and/or feet, and creating a group art project. Teacher: Mrs. Jawabreh

**Week 4: July 8-12: Summer Fun!** A week full of fun and games! We will make sun prints, have water relay races, play parachute and fishing games, pretend to go camping in the courtyard, make bird feeders, and have extra fun with water and bubbles! Teacher: Mrs. Jawabreh

**Week 5: July 15-19: Superhero Week:** Up in the sky, look: It's a bird. It's a plane. It's Super Hero time! Whether your child loves Spiderman, Batman, Captain America, Wonder Woman, or just likes using their imagination there is something here for every superhero fan. We will complete activities faster than a speeding bullet while leaping over tall buildings in a single bound! Your little super heroes will have a ball! What's your superpower? Teacher: Mrs. Bright Smith

**Week 6: July 22-26: Splish! Splash!** This week we will focus on all kinds of fun with water! The children will conduct experiments with sinking and floating objects, explore freezing and melting ice, paint with ice, make boats, explore ocean wave bottles, learn about ocean animals, and have much fun getting wet and playing water games. Campers should bring a towel and wear their swimsuits, cover-up/t-shirt, and sunscreen to camp each day for water activities this week. Teacher: Mrs. Jawabreh

**Week 7: July 29- Aug. 2: Taste & See the Goodness of the World:** Bonjour! Want to travel the world in only five days? Hop on board the Binanay Bus and come adventure with us! You will leave our adventure with a passport, a travel journal and a knowledge of different culture's food, music, architecture and language. While we will have a nut-free TASTING at snack each day, your child will still need to pack their regular snack. ¡Vamos! Teacher: Mrs. Binanay
