3. Enter your Fresh Rewards card number. If you don’t have a card, it’s easy and quick to enroll. If you don’t know your card number, you can click the link in small text on the bottom of the page to look it up by your phone number (“Don't have your card number? [Click here](#) to look up your customer information by entering the 10 digit telephone number associated with your account.”)
4. On the Cart 2 Class page, search for “St. Mary Magdalene” and the school’s listing should appear. There are two schools of the same name, so be sure to choose the Apex, NC location. Tip: put a period in “St.” – you will not get results by searching “St Mary Magdalene.”
