

# **Safe Treats for Trunk or Treat**

Created 09/27/2021

If participating in Trunk or Treat and buying a food item, please do not divert from the items listed below to assure we are keeping the Trunk or Treat event peanut and tree nut safe.

As always, please read through the ingredients list before purchasing an item as manufacturers can change their processes and/or ingredients at any time. There is plenty to choose from!

Thank you in advance for sticking to the following list to keep all of our Monarchs safe!

## **Items To Note That Are NOT Safe**

Unfortunately, no fun size candy bars or regular size candy bars are safe to hand out per St. Mary Magdalene's nut policy and for the safety of those with peanut and tree nut allergies. The ONLY candy bars that are safe to hand out are full size/1.55 oz Hershey bars. All other full size, fun size, or miniature candy bars are manufactured in the same facility/same line as peanut or tree nuts, and therefore are not safe for individuals with peanut and tree nut allergies.

Please refrain from getting mixed bags of candy that are mixed with safe candy and unsafe candy as allergen residue from the unsafe candy can rub off onto the safe candy, making it unsafe for children with food allergies to eat. (If residue is present, it can rub off on the child's hands therefore rubbing off on the food ingested by the child which can result in an allergic reaction which can lead to anaphylaxis.)

Let's work together to keep all of our Monarchs safe! Thank you as always for your efforts!

## **Non Food Items**

Non Food items are always safe and always welcome! Some suggestions for non food related items are: fun pens, fun pencils, fun erasers, notepads, activity pads, vampire teeth, stretchy figures, stickers, bubbles, balls, key chains, stampers, rings, bracelets, punch balloons, headbands, glasses, glow sticks/bracelets/necklaces, etc. Check out

the Halloween or party section of Target, Walmart, any party store, or party section at the grocery store for more ideas for fun non food related treats.
