Hone 21st-century skills: creativity, collaboration, communication, leadership, & more...

A vibrant graphic for 'STEAM Tank Entrepreneur Island'. It features a central illustration of a shark swimming in blue water. Surrounding the shark are several circular icons representing different STEM fields: a lightbulb for ideas, a microscope for science, a DNA helix for biology, a magnet for physics, and a rocket for space. In the top left corner is the 'Challenge Island' logo, which includes a palm tree and the words 'CHALLENGE ISLAND'. On the right side, there is a circular inset photo of a smiling child wearing a red headband and a lei. The text 'STEAM TANK Entrepreneur' is written in a large, stylized font, with 'ISLAND' in a smaller font below it. The website 'WWW.CHALLENGE-ISLAND.COM' is listed on the left. A paragraph on the right describes the program as an experience in STEAM and entrepreneurship, mentioning various business projects like 'PIZZAprenneur', 'SWEETreprenneur', and 'PETreprenneur'.
